Elite x3

The one device that's every device.

HP Elite x3 combines PC power and productivity, tablet portability, and smartphone connectivity in a sleek and secure device that can dock¹ with your screens and keyboards when you need to work big.

[Notify me](#)

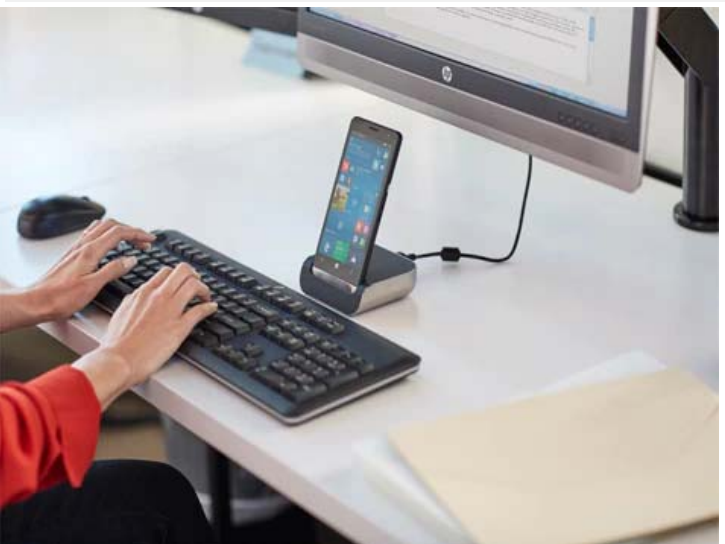

All peripherals sold separately, shown from left to right: HP Display, and HP Desk Dock.
Apps sold separately, availability may vary.

A revolution in mobility

Work in ways you've never been able to before. For the first time, the Elite x3 puts the power of a PC in the palm of your hand. With a high-performance Qualcomm® Snapdragon 820 processor.

Truly seamless

Effortlessly switch between a handheld phablet and a desktop PC or laptop experience when you dock to a larger display. The Elite x3 is the first built-for-business mobile device to deliver seamless phablet, laptop and desktop business productivity in a single device²

1You've got this

[+ View More- View Less](#)

Be productive on all your screens with Windows 10 Mobile³, which has business-grade security, a customized app store⁴ and requires virtually no learning curve for Windows 7 and XP users.

2Complete the package

[+ View More- View Less](#)

HP Mobile Extender is designed as an ultra-slim, near borderless 12.5" diagonal display notebook form factor that connects with the HP Elite x3 to achieve a seamless Windows Continuum computing experience.

Secure at every step

Lock down access to your device and data with integrated security measures built into the hardware and operating system.

Access your corporate apps on the go

Designed by HP to enable a new level of business mobility, HP Workspace lets you run your most frequently-used Windows and corporate applications virtually.⁵

A Stellar experience

The HP Elite x3 has all the best features you expect in a mobile device, including a long-life battery, wireless charging⁶, a brilliant, indoor/outdoor, edge-to-edge HD display, premium audio by Bang and Olufsen, and two high-resolution cameras.

Audio

BANG & OLUFSEN

Front-facing audio speakers tuned by Bang & Olufsen and noise canceling omni-directional mics give professional level Cortana use and robust collaboration. No more speaker phone attachments required – just use the HP Elite x3 as your 'go-to' conferencing tool.

Dual SIM

Warranty

Built for business

The HP Elite x3 is ready for work with business-grade security, HP support, and durability that's dust and water resistant⁸ and designed to pass MIL-STD 810G testing.⁹

1. Optional dock required and sold separately. Peripherals sold separately.

2. Based on HP's internal analysis as of January 14, 2016 of mobile devices preinstalled with Windows 10 Mobile, designed to pass MIL-STD 810G and IP67 testing, the ability to run virtualized corporate apps on a big screen and a biometric solution for security.

3. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

4. Apps sold separately. App availability and experience may vary by market.

5. HP Workspace software update for Windows 10 required and planned in a future release. Subscription required. Corporate application must be licensed on corporate network for virtualization.

6. Supports Qi and PMA standards. Wireless charging pad sold separately.

7. HP Care Packs sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

8. IP 67 testing is pending. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

9. MIL-STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. MIL-STD 810G test results are not a guarantee of future performance under these test conditions. Damage under the MIL-STD 810G test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

"The one device that's every device" The Elite x3 is the first built-for-business mobile device to deliver seamless phablet, laptop and desktop business productivity in a single device. Based on HP's internal analysis as of January 14, 2016 of mobile devices preinstalled with Windows 10 Mobile, designed to pass MIL-STD 810G and IP67 testing, the ability to run virtualized corporate apps on a big screen using optional dock and a biometric solution for security.
